## 2014 is Going to be A Great Year!

It's our 10th anniversary and the 10th year that Irene & Eric Simon (IES) Brain Research Foundation will have given summer fellowships, since giving two in 2005.

It will also be a very special birthday for Irene & Eric Simon, the name sakes & inspiration for this volunteer run non-profit.  
*Look for special celebrations and events!*

**In Summer 2014, we would like to give at least 10 Summer Fellowships! We appreciate any help in reaching our goal of raising at least \$25,000.**

Please spread the word and contact us with any helpful ideas. We look forward to seeing you at upcoming events. Please let us know if you can help in any way with our special 2014 events (attending,

sponsoring, organizing, donating, encouraging others to attend etc.)

## Please Donate!

As we approach the holiday gift giving season, we hope that you will think of IES Brain Research Foundation.

Any help you can give is greatly appreciated, especially at this time of year!

## Faye Simon Harac Honored

Faye was totally surprised and thrilled to receive a letter from Volunteer Management Centers, notifying her that she had been nominated and selected to be recognized at their 40th Anniversary Stellar Volunteer Recognition Dinner on December 5th!

Although there were hundreds of nominations, Faye was 1 of 40 selected. Faye was honored for her volunteer work starting and organizing IES Brain Research Foundation and its events and programs.

IES Brain Research Foundation wishes you and your loved ones a happy, healthy holiday season and New Year!

If you have not already done so, please be sure to like our [Facebook page](#) and follow us on [Twitter](#) @iesbrain.

The IES Brain Research Foundation is a recognized 501(c)(3) not-for-profit organization that is run solely by volunteers. It is because of our sponsors, donors, participants and volunteers that we are able to continue to support this important research. Thank you all!!

Sincerely,
