

**“Brain Research- A Bright Idea”**

**Irene & Eric Simon Brain Research Foundation**

**#210 270 Sparta Ave. Suite 104 Sparta, NJ 07871**

**www.iesBrainResearch.org 973-726-6218 IESBrainResearch@gmail.com**

**2017 Summer Student Fellowships Available  
For Bright, Motivated Students**

**Undergraduate or first year graduate or medical school who are  
INTERESTED IN NEUROSCIENCE RESEARCH**

- Are you in the process of deciding if neuroscience research is to be part of your career plans?**
- Would you like the opportunity to work with and be trained by a well-established, experienced scientist in the field of brain research?**

**IES Brain Research Foundation Summer Fellows will receive a stipend of \$2500 and are expected to spend 9-10 weeks (full time) during summer 2017, being trained in a first rate laboratory in the United States.**

**Applicants should arrange training with and be accepted by a faculty sponsor, who is the head of a first rate laboratory at: a University, Medical School or Research Institute in the United States.**

**If you are interested, see above contact information.  
For application, instructions and to read about previous  
fellowship recipients, go to [www.iesBrainResearch.org](http://www.iesBrainResearch.org)**

**The 2017 application must be postmarked by March 20<sup>th</sup>**
