[www.iesBrainResearch.org](http://www.iesBrainResearch.org).

**Endorphin 5K  
Run or Walk  
For Brain Disease Cures**

## This year dedicated to Frances Harac

Enjoy the non-paved trail at Wild West City.  
Help even more - Anyone raising \$100 or more in  
pledges will have the registration fee waived or  
refunded and be eligible for tiered prizes.

Get details, registration form to send with check, or  
register online at  
[www.iesBrainResearch.org](http://www.iesBrainResearch.org).

Volunteers are needed at and leading up to the  
event.

## A Personal Note From The President & Founder

**Many of us have witnessed or are witnessing someone we love  
suffer with pain, without a good and effective solution.  
That is why, upon the sad loss of my sweet mother-in-law, with  
whom I enjoyed a loving relationship.... I am dedicating this  
year's Endorphin 5K to the memory of Frances Harac.**  
*Faye Simon Harac*
