Elizabeth Calder, with Professor Gregory Miller, Harvard University Medical School
Emma Farley, with Professor Paul Greengard, The Rockefeller University
Paul Myoung, with Professor Mony DeLeon, New York University Medical Center

Speakers Bureau
Eric Simon, Robert Cancro, Maarten Reith, Richard Howells, Jack Hiller & Ken Carr each agreed to donate a talk for the speakers bureau that will provide speakers in the field of brain research. to lay groups (organizations, schools, churches, synagogues, etc.) Honorary board members and scientists in this field are invited to participate. Please let us know if you are interested in donating a talk in this field.

Golf Outing

Thank you to all who participated or helped in any way!!!!

A special thank you to our corporate sponsors: First Hope Bank, Planned Building Services, and Lighting & Automation Expo. Also to our t-shirt sponsors: Applebee's, Pet Centre, Lakeland Bank, First Hope Bank, and Planned Building Services.

We encourage you to support our sponsors as we want them to continue to support this Foundation.

*****Be sure to mention the IES Brain Research

Foundation (or a Foundation event where you saw their name) when you patronize any of these businesses or when you use gift certificates from prizes or auction.

Our third annual golf outing will be May 14, 2007.
